## Espresso

These espresso coffees are blended for a specific flavor profile. Want a straight espresso? Try the Espresso Gold for a traditional European flavor. Mixing your espresso with milk or flavors? Then we suggest the Espresso Primo. If you're just not sure, the Espresso Intermezzo is right in between. All coffee packages contain 12 oz. net weight packed in a mylar foil bag with a one-way flavor seal. Each order is custom roasted for shipment to you.
